

## We are:

The Greater Gatineau Home & School was constituted in October 2014 and is a member in good standing of the Quebec Federation of Home & School Associations.

The Quebec Federation of Home & School Associations is an independent, incorporated, not for profit volunteer organization dedicated to enhancing the education and general well-being of children and youth.

OUR VISION: We believe that every student should have the opportunity to enjoy an enriched school experience.

By working together, provincially and locally, in the common objective of enhancing the educational experience of our children and promoting our local culture, we can contribute to the preservation of our school community.

# Greater Gatineau Home & School

Parents working together to strengthen our community & build school spirit.

INVEST – Your time improving the school for your child and all the children.

PARTICIPATE–Fundraisers, Literacy, Fun Events, and Teacher Appreciation Days.

IMPROVE – Technology in the classroom, and playgrounds.

GROW – Participate in province-wide learning days, increase your network of friends.

## Why Family Membership??

- Creating a sense of belonging;
- Providing necessary funding, at the school level, to close the gaps between available resources and current needs;
- Supporting literacy;
- Offering opportunities for parents to meet, discuss, share experiences, and learn from other parents.
- Benefitting from Liability Insurance Coverage
- volunteering for activities organized by the Home and School.

Without you the members, Home and School association cannot exist.

18\$ / family per year

The Power of Belonging is YOURS to Accomplish. Kids Are Worth it!

## Our Events 2015-2016

Some events that we are planning this year are:

Movie nights; Garage Sale; Dance; Scholastic Book Fair/Bake Sale; Breakfast with Santa; New to Yule; and more surprise activities to come throughout the year.....

All these events have one goal which is to enrich our school community by raising funds for improvements to the school and fostering participation and connections outside the classroom.
