Greater Gatineau School 2017-2018
Consent Form for Publication

Dear Parent or Guardian:

Throughout the school year, your child will participate in numerous activities at school. The Western Québec School Board and the individual schools or centers are proud to publicize the accomplishments of our students.

As per the Access of Information Law for Public Organizations and the Protection of Personal Information under the Québec Civil Code, we require your authorization for any publication of the student's name, work, photos, video and/or audio recordings.

These may be displayed in its newsletters, on the walls of our institutions, in regional papers, television news programs, or on our web sites. Teachers may also want to share this information with other teachers in workshops or courses for professional development. We would therefore ask that you take the time to make the appropriate choice when you fill in the form below.
