

Daycare Survey for 2018-2019

We would like to determine the Daycare needs for our next school year. It is important for us to know how many children will need regular **after school** care, early **morning** care, **PD day** programs, or **occasional** morning or afternoon care. Families who express interest in any of our Daycare services will be given the chance to confirm their registration and receive their daycare booklet when they pick up the school registration package in late August.

If you are interested in any of the Daycare services, please fill in the following and return it to school.

It is possible to have a varying schedule if you work a job with days off that change. Your child can have access the bus on those days. Please indicate **3** or **4** days if this is the case.
